Dear Mr. Haan

I am sorry to hear that Mrs. Filigno's health is not good. I will write to her soon. Yes, I have wondered many times myself why Otto did not come back. The only thing that I can think of is that he must have died because I have never heard one word from him. Joe said that he was innocent of the Morrison case and I believed him and I believe it yet. While I was seeing Joe in jail, he did insist not to talk. When they took him to the penitentiary they would not let me see him but we would write to each other once a week, his letters were cheerful. The reason I say that Uncle John knew that Joe was innocent is that he knew what Joe told me. I know that I can not prove what I say. I do not know why Sven Erickson made such a statement. I saw him at Uncle John's funeral and he looked like a very sick man. Yes, my uncle's did say that Otto was at the house when Dr. Bird brought Joe there. Yes, Christina, Otto and I did go to the Empress. We found Joe in a back seat when we were going out of the show.

Mr. Haan why don't you come to Aberdeen for a visit. I will be happy to answer questions. Herbert Wright thinks that you are Otto Applequist.

Yours for the O.B.U.
